## NAZI ARMIES GAIN MOMENTUM IN DRIVE TOWARD CAUCASUS

### Axis Repulsed in an Eastward Lunge on Egyptian Front

## Russians Believed Planning Stand On East Bank of Don

**BY EDDY GILMORE**  
Moscow, July 14—(AP)—Three powerful German columns, driving into the Don river bend toward Stalingrad on the Volga, gained further ground today south of Boguchar where the Red army fell back fighting to prevent being flanked.  
(Axis reports reaching London through Stockholm said the German drive had carried through Kazansk, 30 miles beyond Boguchar, and Migulinsk, 10 more miles southeast—to about 160 miles from Stalingrad.)  
Stalingrad also was menaced by a second thrust eastward from Lisichansk, some 140 miles southwest of Boguchar.  
Red Star said that along the whole Don front the Germans had thrown "great superiority in men and machines" into their offensive.  
The army organ, expressing the Russian desire for a second front, said:  
"The Germans want to defeat us before our Allies can land on the continent."  
There seemed the possibility that the Russians planned their next main stand on the east bank of the Don, as at Voronezh, rather than risk entrapment on the west bank.  
Even at Voronezh, however, the Russians acknowledged that the Germans had effected a break through by pouring tremendous forces into a narrow salient.  
After the one break-through, however, the Russian stand stiffened and defenses held. From the north flank other Red army forces still holding the west bank of the Don north of Voronezh counter-attacked and drove back two German tank divisions, the 9th and 11th.  
Headquarters of the divisions was reported captured. A Hungarian cavalry detachment was wiped out and 99 tanks were destroyed, Russian dispatches said.  
On the warfront northwest of Moscow the Russians said their troops had gained the initiative over Nazi forces and air-borne reinforcements on the Kalinin front.  
The Soviet information bureau said a powerful German onslaught in the Rzhev area, 135 miles northwest of Moscow, forced an outnumbered Russian defense force to yield ground, but denied German claims of a victory in which 30,000 Russian troops were reported trapped.  
The fighting, certainly not more than 150 miles from Moscow, was seen as a potential new threat to the Soviet capital.  
The Russian account said the Germans launched an offensive July 2, and that both sides lost heavily in fighting through July 13. Total Russian casualties were placed at 7,000 killed and wounded and 5,000 missing.  
"The Germans lost over 10,000 officers and men killed alone," the (Turn to Page Nine)

## BULLETINS

London, July 14—(P)—Britain "is making the right tanks now and will make the right tanks in the future," Oliver Lyttelton, minister of production, told Parliament today in reply to complaints that British equipment in Africa was inferior to the Germans.  
London, July 14—(P)—Three hundred persons were killed or are missing and 337 are in hospitals as a result of German air raids on the United Kingdom in June, the home security ministry announced today.  
Washington, July 14—(P)—The navy announced today that medium-sized United States merchant ship was torpedoed by an enemy submarine in the Caribbean sea last week and that the ship did not sink and had now reached a United States port.  
London, July 14—(P)—United States army headquarters announced today that Major General M. W. Clark, of New York, now is in command of all American ground troops in Britain.  
London, July 14—(P)—German occupation authorities were reported today to have put the Netherlands on an "invasion" footing and enforced new defense precautions in Belgium and northern France as the British press clamored with growing insistence for a second front to help Russia.  
Chungking, July 14—(P)—The Chinese army force in China, issued today at the headquarters of Lieut. Gen. Joseph W. Stilwell, for the third day: "Nothing to report."

## Vichy Rejects Proposals For Moving Ships

Warships at Alexandria are Considered to be in Precarious Position

## WARNING IS ISSUED

Washington, July 14—(P)—Acting Secretary of State Welles disclosed today that the Vichy government had rejected two proposals by President Roosevelt for the removal of demilitarized French warships from the Egyptian war zone.  
The seven warships involved were demilitarized by agreement with the British, shortly after the fall of France in 1940 and since then have remained in the British naval base at Alexandria.  
President Roosevelt, Welles said, proposed to Vichy on July 3, that the warships be moved through the Suez Canal under the protective custody of the United States and sailed to an American port, or some neutral port, for internment until the end of the war.  
The president pointed out to the Vichy government that the warships at Alexandria were in a precarious position always likely to be subject to attack, whereas if they were removed to another port far from the war zone they would be safeguarded and returned to France after the war.  
On July 9 President Roosevelt made a second proposal. He suggested that the warships be withdrawn through the Suez Canal and proceed, under British and American guarantees of safe passage, to the French Caribbean possessions Martinique. There, he said, they could be immobilized for the duration of the war in the same way that French warships already (Turn to Page Nine)

## Nazis Denied Mexican Base

Mexico City, July 14—(P)—Mexico's former military attaché in Berlin, Lieut. Col. Armando Lozano Bernal, declared in published interviews last night that he rebuffed the Germans and the Japanese in attempts to solicit his aid in plots against the United States.  
During the invasion of Poland, two years before the United States entered the war, he said Germany hoped to buy Mexican support with "territorial compensations" for a scheme to land an invasion force at Tampico to attack the United States.  
His coldness to overtures prompted the Germans to cut short their discussions with him, said Bernal.  
His unfriendly attitude also stopped the Japanese, the colonel said when Japan's military attaché in the Nazi capital approached him with word that the "decisive moment" in relations between Tokyo and Washington was approaching.

SEN. DAVIS ILL

Washington, July 14—(P)—Senator Davis (R-Pa.) underwent treatment today at the Homeopathic hospital here for a rheumatic knee which has kept him from his office for the past few days. The senator's office said his condition was improved and that he would return to the capitol within a few days.

## Triple Threat to Caucasus

Three-way German drive to the east in Russia threatens both the Caucasus gateway at Rostov and the north Caspian region around Astrakhan and industrial Stalingrad. Map shows direction of the great tank-troop thrusts.

## Wyoming Senator Calls For Step-up in Crude Production

Stimulated Drilling "Essential to Winning War" O'Mahoney Says

## STATISTICS ARE CITED

Washington, July 14—(P)—Stressing the war importance of increased long-range plane operations, Senator O'Mahoney (D-Wyo.) called today for a step-up in petroleum production.  
Stimulated drilling of new oil wells, particularly on the public domain, and construction of an oil pipeline from the west to the eastern seaboard, he described as "essential to the winning of the war."  
Both, he said in a statement, depended on increased steel production, involving immediate steps for utilization of all undeveloped iron deposits.  
The Wyoming senator said a raid of the kind the RAF recently carried out over Cologne consumed about 1,000,000 gallons of high octane gasoline, to manufacture which it was necessary to process 200,000 barrels of crude oil.  
"When it is considered that 4,000,000 barrels of crude petroleum, one-half million more than we are now producing every day, would provide for only 20 such raids as that over Cologne," O'Mahoney said, "it seems clear that additional production is necessary."  
Construction of a vast fleet of long range airplanes capable of operating from land bases, he said, was recognized by military experts as essential to early victory.  
The conclusion was clear, he declared, that there must be a (Turn to Page Nine)

## Chinese Push Enemy Back

Chungking, July 14—(P)—The Japanese have completed an arc across coastal Chekiang province from Hangchow on the north to Wenchow on the south, the Chinese high command indicated today, but it said the Chinese in their counter-attack in Kiangsi province directly to the west had pushed the enemy back to the outskirts of Linchuan.  
The Chinese communiqué said the Japanese had reached the environs of Wenchow on Saturday night. (The Japanese announced the port's capture Saturday.)  
In Kiangsi, Chinese dispatches said that the Japanese who had fanned out westward from Linchuan now were being pushed back into the city by three converging columns of Chinese. The Japanese force was estimated by a Chinese spokesman last week to number 30,000.  
A Japanese attack on Ithwang, which has changed hands twice already, and now is held by the Chinese, was repulsed after a pitched battle lasting 12 days, the Chinese said. The town is 35 miles south of Linchuan.

## BASTILLE DAY OBSERVED BY FREE FRENCH

Followers of Gen. Charles DeGaulle Rededicate Themselves to Expulsion of Germans

## CHEERED BY BRITONS

London, July 14—(P)—The Free French followers of Gen. Charles De Gaulle, hardened by two years of exile from their Nazi-stricken homeland, celebrated Bastille Day today under a new name, the "Fighting French," and rededicated themselves to the expulsion of the Germans from France and the restoration of "liberty, equality and fraternity."  
The new official name of the De Gaulle movement, accepted by the British foreign office, is La France Combattante—Fighting France.  
Britons turned out in cheering thousands, breaking police lines, to join the Fighting French in a spontaneous celebration which enthusiastically reaffirmed the common cause of the British and the De Gaulleists.  
The day's observances were capped with a colorful review at Wellington barracks where newly organized Fighting French commandos, Alpine chasseurs, French naval, air and women's auxiliary units saluted De Gaulle.  
Today, the people of occupied France marked the anniversary of the storming of the Bastille in 1789 under the harsh rule of the gestapo. But still the sabotage and the opposition grew. A freight train was reported derailed on the Amiens-Sotheville line. A Frenchman was killed and a bystander wounded in a pitched battle with French and German police at Houdin in the Pas De Calais department.  
All celebration of Bastille Day in occupied France was banned. Even the flying of flags and the wearing of emblems was prohibited by the Germans.  
(President Roosevelt said in a message: "On this anniversary which has so deep a significance to every lover of democracy, I express the hope that the people of France may soon again enjoy the blessings of liberty, equality and fraternity.")  
(Turn to Page Nine)

## R. A. F. Leaves Many Fires In Ruhr Valley

London, July 14—(P)—A strong force of RAF bombers attacked industrial objectives in the Ruhr valley last night in their fourth raid on Germany this month, the air ministry announced today.  
The German high command said the British bombed the important industrial city of Duisburg, about 15 miles north of Düsseldorf, between the Ruhr and the Rhine. Duisburg has many blast furnaces and metal plants and is an important coal and iron ore center. It has a population of about 275,000.  
"Many fires were left burning," a communiqué said.  
Five of the raiding aircraft were reported missing.  
Meanwhile, Oliver Lyttelton, minister of state in charge of production, told the house of commons in opening the debate on production today that Britain still maintains its "lead in the air, particularly in quality."

## American Heroes Day to be Observed in Warren Friday

Warren will join cities throughout the nation on Friday in observance of American Heroes Day, commemorating those of the past and paying tribute to local boys in the armed services today.  
A program, being arranged by the committee in charge, is to be dedicated to every man in uniform today, and local merchants, banks, and the post office are expected to put forth an extra effort to sell U. S. War Savings Bonds and Stamps on Friday. The day set aside for observance of American heroes has been taken up by retailers of America as a special opportunity to boost July bond and stamp sales.  
The committee of Warren retailers has arranged a concert by the massed bands to be held at the intersection of Liberty street and Second avenue, beginning at 7:30 o'clock in the evening and lasting until nine o'clock.  
Harry Summers, director of the Warren High School Band, has arranged a patriotic program for this celebration, and efforts are being made to have a display on hand of war products being made in the county.  
The local committee requested today that every citizen attend the Victory celebration and take advantage of a splendid opportunity to purchase war bonds and stamps, and added that all persons are requested to walk to the concert, saving rubber and at the same time eliminating unnecessary congestion of traffic.  
The Warren Police Department will cooperate with the committee in roping off all intersecting streets except Pennsylvania avenue, it was stated.

## Boy South for Health Returns in Iron Lung

Corapolis, July 14—(P)—Twelve-year-old Gilbert Holden who went to Florida a year ago to swim, play and bask in the sun is soon coming back in an "iron lung," the victim of infantile paralysis.  
Little more than two months after he arrived in the south with his family, Gilbert was stricken by the disease. But he still doesn't know what is wrong with him. His father, C. G. Holden, a Corapolis postal worker, explained that the boy had been told he was ill of a "rheumatic condition."  
The family has arranged for his return in a special Pullman car, with nurses in attendance to watch the operation of the "iron lung."

## Differences On Farm Bill Are Adjusted

Senate-House Conference Committee Reach Agreement on Amendment

## STILL FACES ARGUMENT

Washington, July 14—(P)—A senate-house conference committee patched up its differences on all but one issue in the \$680,000,000 farm appropriations bill today and agreed to submit to both houses a disputed amendment authorizing the government to sell up to 125,000,000 bushels of wheat for livestock feed at about 83 cents a bushel.  
Senator McNary of Oregon, the minority leader, said it was his understanding house conferees also would submit to their body a proposal that the sale of government-held wheat be permitted at the full parity price for corn, which is about 97 cents a bushel.  
If this provision is accepted by the house, McNary said he had no doubt that it would be opposed strenuously in the senate, which has held out for the 83-cent price, or 85 per cent of corn parity.  
(Parity is a price calculated to give the farmer a return for his crops equivalent to purchasing power to that he received in a past period, usually 1909-14.)  
The conferees thus left up in the air the chief controversial point in the bill, a section President Roosevelt has insisted must be retained in order to make sufficient feed available at a low price to encourage production of meat and dairy products for military and civilian uses.  
Change sought in issuing certificates  
Philadelphia, July 14—(P)—Asserting that delays in obtaining birth certificates have "interfered with many of our citizens securing employment in vital war plants," the Pennsylvania Registers of Wills Association yesterday urged control of birth records be returned to "proper authorities" in the counties.  
The association, at its annual convention, instructed its legislative committee to place the question before the next session of the legislature.  
M. J. Hartnett, Jr., Cambria county, was elected president, succeeding W. W. Crawford, Delaware county.

## Four Dead In Jersey Blast

Waynesville, N. C., July 14—(P)—A thunderous explosion early today at the distributing plant of the Standard Oil Company of New Jersey killed at least four persons and hospitalized eight others. The condition of the injured was described as serious.  
The plant and two nearby houses were destroyed and three other houses were damaged.  
The detonation was heard for miles around and giant tongues of flame licked at the sky in a brilliant pyrotechnic display.  
J. L. Stringfield, chief of police in this little mountain town, said the explosion occurred at 3:30 a. m., while a large gasoline transport was unloading. He said that indications were that a leak in the hose touched off the blast, igniting some 40,000 gallons of gasoline.  
Mrs. Andrew Caldwell and her two children were burned to death in their home adjacent to the plant, and an unidentified oil transport truck driver was missing.

## Labor Board Appeals to Coke Truck Drivers

Washington, July 14—(P)—War Labor Board officials said today they were asking striking coke truck drivers in the Uniontown, Pa., area to return to work pending appointment of an arbitrator to rule on their wage increase demands.  
Uniontown, July 14—(P)—Supplies of coke to steel mill blast furnaces were threatened by a strike today of some 700 to 800 truck drivers who haul coal to half of the 8,900 beehive coke ovens in Fayette county, center of the nation's beehive coke industry.  
The ovens supplied by the truckers, who voted last night to strike in demand for an increase in haul-9,000 tons of coke daily for the ing rates, turn out approximately steel mills. Without coke, the furnaces cannot produce pig iron, from which the steel for tanks and ships is made.

## More Rubber From Alcohol Anticipated

Facilities Available to Produce 200,000 Tons Next Year, Nelson Testifies

## BY "POLISH" PROCESS

Washington, July 14—(P)—The War Production Board expects to get more synthetic rubber from alcoholic sources than from petroleum in 1934, Chairman Donald M. Nelson told a senate agriculture subcommittee today.  
Nelson said facilities were available to produce in excess of the 200,000 tons of elastic which had been assigned to the alcohol process in a program estimated to produce 800,000 tons yearly.  
"We will get more rubber from alcoholic sources in 1934 than from petroleum," he testified.  
He said the Publisher Commercial Alcohol Co., of Philadelphia, which uses the so-called "Polish" process of obtaining rubber from grain or synthetic alcohol, had been granted an A-1-A rating June 27 for materials to construct facilities to produce 2,000 pounds daily.  
The committee visited this plant last week and members said they were impressed by their investigation of the process.  
The WPB chairman reiterated that despite speeded efforts to increase synthetic production pleasure automobile driving was out for the war's duration as tires would be available only for military needs and essential civilian use.  
Nelson presented a senate agricultural subcommittee new estimates showing he expected synthetic rubber production in 1943 to total 328,000 tons with 1944 production "very large," or about double 1943's.

## AIR ACTIVITY INCREASES IN NORTH AFRICA

Far-Ranging Bombers Choke Off Enemy Reinforcements; Whittle Down Supplies

## ALL ATTACKS SUCCEEDED

Cairo, July 14—(P)—Axis armored forces have been repulsed in another eastward lunge on the Egyptian corridor battle front and the enemy has been hit heavily by the RAF. British headquarters announced today.  
As the land front flared back into action, Britain harried the Axis Mediterranean supply lines, trying with the great guns of her fleet and far-ranging bombers of the RAF to choke off reinforcements for the enemy and whittle down his reserve of machines and supplies.  
"Air activity was intensified in the battle area," said the joint report of British headquarters and the RAF.  
"Our fighters, fighter-bombers and light bombers attacked landing grounds in the El Daba area, a column of tanks and large concentrations of vehicles."  
All air operations, including a battle over Malta yesterday, in which at least five enemy raiders were destroyed and others damaged, cost the British only one plane.  
One by one, Britain's air and sea arms picked off the ports behind Nazi Field Marshal Erwin Rommel whence he might get more men and material.  
When Matruh, the Axis' most advanced supply port barely 200 miles back, literally was knocked out by British naval planes and warships which flung 700 shells (Turn to Page Nine)

## POSTERS EMPHASIZE SECOND FRONT NEED

New York, July 14—(P)—The New York CIO council announced today it had started distribution of a half million postcards addressed to President Roosevelt asserting that a second front is needed "without further delay."  
The cards, being distributed through the council's 250 affiliated CIO unions, bear this message: "I am behind your second front agreement. It is needed without further delay. I see danger to victory unless the western front is opened immediately."

## Patrol Boat Goes Aground

San Francisco, July 14—(P)—A U. S. naval patrol boat ran aground near Seal Rocks near the entrance to the Golden Gate early today and the rescue of crew members is proceeding, the navy announced.  
First reports of the vessel grounding just outside the Golden Gate leading into San Francisco Bay were received at naval headquarters shortly after 2:30 a. m. (Pacific war time), a navy press relations officer said.  
A large group of spectators gathered to watch the rescue work from nearby cliffs.  
Formidable rocks line the shore-side of a narrow navigational channel and make the scene of the mishap a notorious danger area.  
The site is a short distance from the spot where the freighter Ohioan crashed ashore in a dense fog October 7, 1936.

## Relief Fund Is Now Available

Harrisburg, July 14—(P)—Governor James celebrated his 59th birthday anniversary at his desk today by signing a proclamation making available for relief a \$15,000,000 fund the 1941 legislature set up for that purpose, providing revenues for the biennium ending in 1943 exceeded estimates.  
The governor received many birthday greetings from various sources throughout the state and a bouquet of flowers from his office staff.  
James said excess revenues amounting to \$12,760,000 have been collected for the fiscal year ending last May 31, and the revenue department estimated this would reach \$15,000,000 for the biennium.  
The 1941 assembly allotted \$120,000,000 for relief including the contingent appropriation. Direct relief now is running below the \$5,000,000 James previously estimated would be needed.

## Married Men Last on Call For The Army

Selective Service headquarters in Washington specifically directed local draft boards today to call up married men last, taking single war workers before husbands and fathers according to an Associated Press dispatch.

However, to be classed as a married man, a registrant must have been married before December 8, 1941, and must be living with his wife or children.

To guide local boards on whether or not a man is engaged in the war effort, draft headquarters issued a list of 34 essential activities.

In orders sent out by draft headquarters last night, the local boards have been instructed to fill their quotas in the following order:

1. Single men with no dependents.
2. Single men who do not contribute to the war effort but who have dependents.
3. Single men with dependents and who contribute to the war effort.
4. Married men without children who are not engaged in the war effort.
5. Married men without children who are engaged in the war effort.
6. Married men living with wife and children or children only and who are not engaged in the war effort.
7. Married men living with wife and children or children only and who are engaged in the war effort.

Warren county draft boards are engaged at present in filling their

## TIMES TOPICS

### GIVING AWAY PUPPIES

Edward Lindsey, Mohawk avenue, reports that he is looking for homes for some part Irish setter puppies.

### TAKES SUMMER COURSE

Miss Betty Gentilman, state nurse of Warren county, resumed her duties Monday after attending a three-week summer course at the University of Pittsburgh.

### LUTHER LEAGUE

Luther League members of St. Paul's Lutheran church will meet at the church at eight o'clock Thursday evening and all are reminded to bring their gifts for army boxes.

### AT CONVENTION

O. E. Loper, Warren county register and recorder, will return this evening from Philadelphia, where he has been attending the convention of the Pennsylvania registers of wills.

### TO BE PROFFESSED

Mrs. Dominic Russo and daughter, Miss Mary, 12 Morrison street, are en route to Baraboo, Wis., where on Wednesday their son and brother, Frater Russo, will be professed. The young candidate is better known in Warren as "Nick." The Russos expected to spend several days in Milwaukee before going to Baraboo.

quotas to be sent later this month. The new ruling is not expected to affect this quota, as induction notices already have been sent out in most cases, it was stated.

## V-Mail Forms Available At Local Office

Announcement was made today by Postmaster James K. Bell that the Warren post office has received a supply of the new "V-Mail" forms to be used for correspondence with friends and relatives serving in the armed forces overseas through the use of 16 millimeter film.

The "V-Mail" letter is handled as any other mail and must bear the usual first class postage stamp, three cents ordinary or six cents air mail.

At the post of overseas dispatch, New York or San Francisco, the message and address are micro-filmed and the photographic reproduction transmitted to the destination, where it will be transcribed and delivered to the addressee.

The idea of the plan is to expedite the delivery of correspondence to men overseas and to conserve shipping space. It was pointed out. For example, 150,000 ordinary one-sheet letters will weigh 2,575 pounds and require the space and use of 37 mail sacks, whereas the dispatch of 150,000 "V-Mail" letters through the use of the micro-filming process will weigh only 45 pounds and occupy the space required for one sack of mail.

These special V-Mail forms are available free at the stamp window of the Warren post office.

Automobile accidents cost the lives of 12,300 persons in the United States during 1939.

## Routine Matters Considered At Meeting of School Board

Appointment of teachers, election of members to the Warren Public Library board, reports of committees and other matters of a routine nature occupied the attention of the local board of school directors at an adjourned meeting held yesterday afternoon at the high school.

Teachers named last night are Miss Mary Margaret Wade, instructor in commercial subjects; Mrs. Helene W. McClure, as substitute teacher for a period of one year, and Raymond W. Norris, Jr., temporary teacher in the machine tool shop set up under the National Defense Training Program.

The resignation of Mrs. Mary A. Knapp was accepted and Mrs. Myrtle M. Secor was granted a two-year leave of absence.

President W. F. Clinger and R. W. Mackay were re-elected as members of the board of the Warren Library Association.

No action was taken on the report of the committee which conferred with a committee from the borough council regarding the proposed improvement of the Lacy playground.

A report was made on the defense training classes, which started last evening in the South St. school. The purchase of a drill for the shop was approved, subject to approval by inspectors and the state department of public instruction. Several other items for the shop also were authorized. These amounted to \$339.14.

Adjustment in the schedule of janitors at the local schools so

that they complete their 44-hour weekly schedule in five days instead of six during the summer was approved. Clarence B. Campbell was employed as a janitor on a 30-hour a week basis to August 14.

Numerous purchases by the committee on textbooks and supplies were approved as well as items by other committees.

In his report, Superintendent John G. Rossman pointed out that probable enrollment in the grade schools here for next September was estimated at 1,219 pupils, which is expected to allow a reduction of one teacher at the East street building. At the Beaty school a net increase of 46 is anticipated, while at the high school there is expected to be a net increase of 13.

Mr. Rossman presented a detailed report on attendance and enrollment for the past year, showing an average of 95 percent during the 180-day period. He reported that 93 percent of the pupils were promoted at the close of the year.

In the report of the night school, Mr. Rossman pointed out that there was a decrease last year largely because of the increased work in local industry.

The meeting was adjourned to meet in August at the call of the president.

At yesterday's meeting were President Clinger, Directors H. M. Mohr, M. G. Keller, R. E. Brasington, N. D. Paterson and R. W. Mackay; Solicitor R. Pierson Egan and Miss Emma Atkins, Clerk.

## Payroll Allotment Plan Is Outlined at Struthers Plant

As the shifts changed at three o'clock last Friday afternoon at Struthers-Wells Company, the clang and clatter of the great machines gave way to the martial music of a military band calling some 700 men together in the large boiler shop. After a selected band of Struthers-Wells Navy Band, Harry W. Conarro, vice president of the company, spoke to the assembly and introduced R. W. Mackay, chairman of the War Savings Committee of Warren and Forest counties.

Mr. Mackay prefaced his remarks by saying that he felt particularly at home in the plant because the watch he was using to time his remarks was presented to his father, the late Robert Mackay, in 1906 upon completion then of 40 years of service with the company, which services continued for another 12 years.

Mr. Mackay then pointed out that the payroll allotment plan for the purchase of United States War Bonds had been introduced generally throughout the country and was meeting with wide acceptance. He mentioned the 50 concerns in Warren county and congratulated the company for the work done thus far and also discussed the quotas to be met by Warren county during the current

months. He explained that with increasing demands, these quotas could be met only by resort to the payrolls of the county and the full cooperation of the men who made these payrolls.

Mr. Mackay then introduced Warren M. Stone, local attorney and government appeal agent for the draft board, who called attention to the fact that men inducted into the service with the armed forces were accepting cheerfully the sacrifices imposed upon them and that in a war such as we are now fighting, sacrifice was not confined to the members of the military and naval establishments, but was something to be shared by all.

Earle G. Flohr was then introduced as one of the insurance men who has been active in the organization of the payroll savings plan and Mr. Flohr told the men that he is always ready to provide assistance in the establishment and success of the allotment plan.

Mr. Conarro then congratulated the union upon the purchase of a large bond; the band played the "Star Spangled Banner"; and as the group of visitors found their way to the exit of the plant, the great machines resumed the music of production under the skilled hands of their many masters.

## Church Picnic Set For Wednesday at Youngsville Park

The annual Sunday school picnic of the Bethlehem Congregational church will be held at Island Park in Youngsville Wednesday, beginning with a period of games and recreation in the afternoon.

Members and friends of the congregation are invited to the tureen supper to be served at six o'clock, when ice cream, coffee and cream will be furnished by the school committee. Those attending are asked to bring a tureen, rolls and sugar.

It is announced today that a devotional service will follow the evening meal.

Those who plan to drive to the park are asked to fill their cars so that a large gathering will enjoy this annual event.

## Directors of Library Are Elected Here

At the annual meeting of the Warren Library Association, held last evening, directors were elected for the ensuing term and reports were received from the departmental head, treasurer, Struthers Library board and the nominating committee.

Directors elected during the session included the following: H. L. Banghart, W. F. Clinger, Rev. E. P. Wroth, E. T. Lundahl, Mrs. C. W. Beckley, W. H. Wright, E. D. Wetmore and S. L. Myer, with W. F. Clinger and R. W. Mackay to represent the school board and R. W. Steber and C. A. Miller from the borough council.

The report of the librarian, Leon I. Jones, contained information concerning the various activities of the library during the past year and showed that the war effort is having very little effect on the use of the library.

Following the meeting of the association, members of the board met and elected the following officers: President, H. L. Banghart; vice president, W. F. Clinger; secretary, Rev. E. P. Wroth; treasurer, E. T. Lundahl.

Committee chairmen named by the president are as follows: Finance, R. W. Mackay; building, E. D. Wetmore; books, W. H. Wright; art, Mrs. C. W. Beckley.

## Band School Will End At Youngsville

The band school course being conducted in the Youngsville school for the past month will be brought to a close Wednesday evening at 7:30 o'clock, when all members of the various classes will gather in the school auditorium to demonstrate some of the progress made.

Classes for all age groups have been unusually well attended and much has been done in grooming new students for the school as well as sight reading and studying of new and more difficult music by Eagle Band members.

At tomorrow night's meeting a decision will be reached concerning an outing to Chautauqua and all interested members of the band, orchestra and choir are asked by Director Byron Swanson to be in attendance.

## At the Hospital

**Admitted**  
Mrs. Emma Linborg, Youngsville.

U. S. Suggestion: 100 quarts of foods per adult per year.

United States Department of Agriculture food experts say the right diet for the typical American family should comprise the equivalent of 100 quarts of fruits, vegetables and meats.

Suggested yearly food requirements per adult are:

- 20 quarts of tomatoes and tomato juice
- 20 quarts of fruit and fruit juice
- 20 quarts of green vegetables
- 15 quarts of other vegetables
- 10 quarts of meat
- 10 quarts of relishes, soup stock, etc.

Check these against the foods you serve your own family and see whether you are giving them the wide selection of good foods they require for healthful living.

For, to win this war, Americans must be strong. And to be truly strong, Americans must know and eat the right foods. This means that every American housewife's No. 1 job today is to feed her family well.

You can do it if you check the nutrition values of the foods you serve—and especially if you take steps while foods are

plentiful—to home-can as many as possible against fall, winter and spring demands.

Grow all you can. Buy all that is seasonable . . . and make sure that your family gets a fully balanced diet. Call your Gas Company's Home Service Department for guidance in your home-canning problems. They'll be glad to help you.

TIMES TOPICS

**REQUEST TO STORES**  
The committee in charge of arrangements for the observance of American Heroes Day in this community on Friday made a special request to all stores today to remain open during the hours of the band concert Friday evening for the sole purpose of selling war bonds and stamps. The local banks and post office are already cooperating, it was stated.

**INJURED FOOT**  
George Johnson, of 11 Parker street, was treated at the Warren General Hospital yesterday for an injury to his right foot, sustained when it was struck by a heavy piece of iron. He was discharged after X-rays had been taken.

**POLICE SCHOOL**  
The weekly session of auxiliary police school will be held at eight o'clock this evening at the high school and it was announced today that tonight's class is of special importance and all members are urged to attend as mid-term examinations will be given.

**COUNCIL TO MEET**  
A special meeting of the Warren borough council will be held Thursday evening at 7:30 o'clock for the purpose of considering and taking action on an ordinance for the vacating of Chestnut street, which is now ready for third and final reading.

**ON HIKE TODAY**  
The Y. M. C. A. "indoor campers", a group of boys who are experimenting with the idea of an indoor camp since the usual camp on Lake Erie had to be eliminated this year, are enjoying the new plan immensely and were taken on a hike today by Physical Director Ed Hasler, who is in charge of the indoor camp program.

**DR. POLING CALLED**  
The Rev. Dr. Daniel A. Poling, of Philadelphia, international president of the World Christian Endeavor and pastor of Baptist Temple in Philadelphia, has been called into active service with the army. A chaplain in the last war, he holds a major's commission in the officer's reserve corps. Dr. Poling has visited Warren on numerous occasions.

**PLAN REHEARSAL**  
There will be a massed band rehearsal at the Beatty school gymnasium tomorrow evening at seven o'clock, it was announced today. Musicians in all bands participating have been requested to be on hand promptly. The new all-Warren symphony orchestra is holding a rehearsal this evening, while the choir group which is to sing at the first concert of the new musical organization is scheduled to rehearse on Friday evening.

**WANTS VOLUNTEERS**  
It was stated that volunteers are being sought for the drivers' corps of the Warren County Civilian Defense Corps in an announcement today by L. E. Seavy, manager of the Warren County Motor Club, who is in charge of the unit. Both men and women drivers are being sought, he said. Those interested in this activity have been requested to leave their names, addresses and telephone numbers at the motor club office in the Exchange Hotel lobby.

TIMES TOPICS

**TEACHER RESIGNS**  
Miss Macie Johnson, teacher in the sixth, seventh and eighth grades in the departmental school at Russell, has resigned, it was announced today by members of the school board. The secretary of the board has been instructed to obtain applications for the position.

**WARREN MAN NAMED**  
H. W. Conarro, of this city, has been named to the industry advisory committee of the War Production Board, according to an Associated Press dispatch from Philadelphia today. Mr. Conarro is one of several Pennsylvanians named by the regional WPB office. He is on the forged axe, hatchet and hammer industry group.

**REHEARSING TONIGHT**  
All community musicians interested in the All-Warren Symphony are asked to turn out for the important rehearsal to be held under the direction of Harry A. Summers at 7:15 this evening at Beatty school. The orchestra and a large choir under the direction of Carroll A. Fowler, will make its first appearance next Sunday evening.

**MEET IN CORRY**  
Baseball authorities of the National Forge Baseball Club will meet this evening in Corry with pilots of Meadville, Geneva, Titusville and Corry teams for the purpose of discussing possibilities for organizing a semi-pro baseball league to finish out the season. If successful, the league will be organized and started immediately and may be continued next year if plans go satisfactorily.

**GERSHWIN MEMORIAL**  
Oscar Wagner, pianist and dean of the Juilliard Graduate School in New York, will appear as soloist with the Chautauqua Symphony when its season opens Thursday with a concert in memory of George Gershwin. Albert Stoessel will conduct and Mr. Wagner, who played "Rhapsody in Blue" in its first performance by the New York Symphony almost 15 years ago, will repeat that popular composition.

WARTIME FASHION

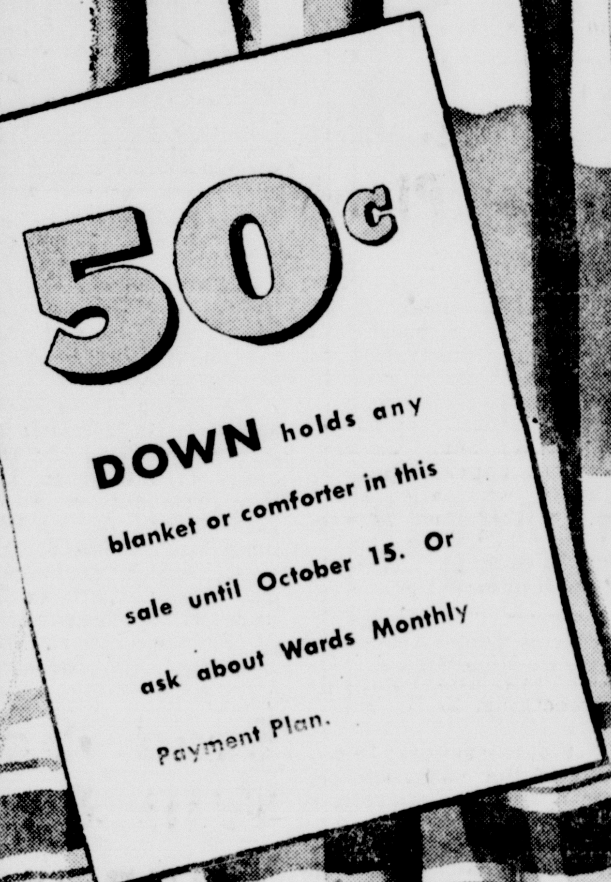

**AIDS WAR SAVINGS**—A Victory corsage, the "newest thing in flowers," adorns the jacket lapel of Miss Florence Dornin, lovely Powers' model of New York. Cellophane covered War Stamps tied with red, white, and blue ribbons form the bouquet. This new patriotic fashion trend, designed as a novelty to promote the sale of War Savings Bonds and Stamps, is sweeping the country. Like real flowers, the Victory corsage should be worn only a few times. Then the stamps should be pasted into a War Stamp Album to aid in the purchase of a Bond.

# Wards Biggest Blanket Sale!

That's why you'll find our selection so enormous, our prices so remarkably low!

(But, then, we've always been famous for making your dollar go farther!) . . . You'll also find the same superb quality you expect of Ward merchandise. But please buy only what you need!

**50¢**  
DOWN holds any blanket or comforter in this sale until October 15. Or ask about Wards Monthly Payment Plan.

**SALE! 5% WOOL PLAID PAIRS**

They're pairs—that means you get double warmth from these good sturdy mixtures of 5% new wool and 95% cotton. They're specially woven with all the heat-retaining wool in the nap! #### PRaises American Fighters

Henry Cabot Lodge, who a week ago was directed  
by Secretary of War Stimson to quit active army service  
as a major and return to his duties as Senator from  
Massachusetts, turned up again on Capitol Hill yester-  
day, to report, after a tour of active service in Africa,  
that American soldiers had performed like veterans and  
their tanks stood the test of battle well in the Libyan  
desert fighting.

Lodge knows whereof he speaks for he has been on  
the battle front in Libya, to see for himself what was  
going on, and the nature of the desert fighting; how  
the American equipment was standing up in combat,  
and just what an American army would be up against  
if it had to fight there.

Senator Lodge not only knows those vital things  
from direct observation, but he had other interesting  
experiences including a tour inside a General Grant tank  
under fire. He had been through all the regular training  
operations at home, and handled troops and supplies  
in southern maneuvers under conditions approxi-  
mating actual war, but he thought that wasn't enough.

Now when he discusses this war and its require-  
ments, as he did yesterday, the other senators listen  
and the public listens. Sooner or later the senator will  
again be missing from his accustomed seat in the upper  
house, and he may be heard of in the war news from  
most any front.

There is a basic reality in such procedure that makes  
ordinary senatorial operations seem very impressive.

#### WOMAN'S PART AT THE PEACE PARLEY

Inclusion of qualified women in future peace parleys  
was urged by the membership of Zonta International,  
classified service club of women executives, at the or-  
ganization's convention in Toronto early this month,  
which was attended by Mrs. Nancy Parvin of this city.  
The wife of the Chinese generalissimo, Madame Chiang  
Kai-Shek, was Zonta's first suggestion.

In the belief that a permanent peace should be de-  
termined only by wise and due regard for all interests, and  
as women constitute the half of the human race especially  
interested in conserving life and given to thinking in  
terms of human rather than material needs, the conven-  
tion body adopted a resolution which provides:

"That Zonta International in convention assembled  
urges the importance of including women as members  
of the peace conference and hereby authorizes the names  
of qualified women for this purpose and especially the  
name of Madame Chiang Kai-Shek, who stands out pre-  
eminently as a woman whose social and intellectual  
training, war experience, and general knowledge of  
world conditions well qualify her for such appointment."

#### BASTILE DAY

(By DeWitt Mackenzie, Wide World and Times-Mirror war analyst)  
This is France's Bastille Day — an anniversary which in hap-  
pier times, before the bloody hand of Hitlerism struck the nation  
down, was celebrated like our Fourth of July in commemoration  
of independence.

On this day 153 years ago the revolutionists stormed and  
pulled down the Bastille prison which for centuries had stood as  
the monument of injustice and torture. So Bastille Day was made  
the annual occasion of thanksgiving for the blessing of liberty.  
Before the coming of the Nazi, all France was bravely de-  
corated with the tri-color, and the population turned out to worship  
at the shrine of liberty.

But the days of rejoicing were wiped out two years ago.  
Everywhere the Hun has left his mark of arrogance and  
brutality. Down in Vichy a fox-faced, swarthy visaged little man  
sits and schemes and tells his down-trodden people:  
"I desire Germany's victory."

But Laval the fox doesn't represent the citizens of France.  
Knowing the French people so well, and having watched the de-  
velopment of this situation carefully, I believe that the vast  
majority of them still are pro-Ally and anti-German.

The spirit of France isn't dead, and French eyes will be dim  
with tears this Bastille Day. Irrespective of Laval's urgings they  
won't sell their birthright for a mess of Nazi pottage.

The Hitlerites recognize that the spirit of liberty still lives  
in France. Fearful of trouble, they banned all celebrations of  
Bastille Day in the occupied zone. New and fierce measures were  
announced against saboteurs.

When the day comes for the Allied invasion of western  
Europe we shall find, unless the signs go wrong, that the French  
are ready to give all possible help which can be rendered by an  
unarmed populace.

The government has fixed the 1941 high as a ceiling  
price on furs. Most of us will make the old coats go  
as far as they can!

Plan to be around town Friday evening and join in  
the local observance of American Heroes Day!

How do you like the 1942 offerings of huckleberry  
pie?

#### T-H-O-U-G-H-T-S

Keep thee far from a false matter; and the innocent and right-  
eous slay thou not; for I will not justify the wicked.—Exodus 23:7.

Oh, the blind counsels of the guilty!  
Oh, how cowardly is wickedness always!—Statius.

#### The Ol' Triple Play

#### WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON — I don't know  
about the rest of the country,  
but the rubber salvage drive in  
Washington bounced all over the  
place.

Star Rubber Conservator Har-  
old L. Ickes got into a typical  
Ickesian squabble when he de-  
manded all government build-  
ings toss their rubber floor mats  
onto the reclamation stockpile.  
The Public Building Administra-  
tion declared that was stretching  
things too far.

Not only government employes  
but government visitors, said  
PBA, might fall and break their  
backs any rainy day if the build-  
ings didn't have their rubber  
mats. "Investigators" dashed over  
to the OPA offices in the LaSalle  
building to find out what Leon  
Henderson was doing about it all.  
They came away disappointed.  
The price administrator's office is  
using cocoa straw mats—the  
building never has had anything  
else—and the only broken backs  
thereabouts were found to have  
nothing to do with what was un-  
der foot on rainy days.

PRACTICALLY overnight, Con-  
gressional tobacco chewers re-  
ceived their greatest challenge to  
aim in history. Acting on orders  
from Speaker Sam Rayburn, Cap-  
itol Architect David Lynn had  
all the gabbon mats picked up and  
dumped on the stockpile. By that  
time, the controversy was so hot,  
the cuspidor crowd didn't spit out  
a word of complaint.

Just when the mat story was  
going good, along came word  
from Akron that scrap rubber in

rubber mats wasn't good for  
much of anything anyway except  
making more rubber mats.

In the White House, where  
President Roosevelt holds forth  
as the nation's No. 1 rubber sal-  
vage urger, Diana, daughter of  
the White House star boarder,  
Harry Hopkins, tossed in her col-  
lection of rubber dolls; and Fella,  
the President's Scottie, caught the  
spirit of the times and dug up a  
couple of bushels of rubber bones.  
Total White House contribution:  
approximately 400 pounds.

THE President himself urged  
rubber contributions to the  
limit, suggesting that Capital au-  
thorities even throw in their rubber  
floor coverings. Washington traffic  
and safety officials bounced right  
up to the ceiling, saying there was  
a traffic safety ruling that all cars  
must have rubber floor coverings  
as protection against gas fumes  
and electric shock.

Branded as the District of Co-  
lumbia's biggest chiseler during  
the drive were a few persons  
who, during the night, stole old  
tires off the unguarded scrap  
piles. One irate custodian of the  
scrap heaps stayed up several  
nights to catch the marauders—  
found they were taxi drivers—  
who can get retracts if, and only  
if, they turn in old casings.

The local lady who really won  
top honors for making contribu-  
tions to the drive was the social-  
ist who went into a suburban fix-  
and-dime store, bought even-  
ing rubber toys on the counters  
with the assistance of her beau-  
tiful four carted them across the  
street to a filling station and dump-  
ed them on the heap.

and in Cuba, I suppose, where he  
moved when he was a kid, and he  
also missed a few in this land of  
plenty and opportunity. For a  
while he was a cartoonist on a  
Los Angeles newspaper.

THEN he recognized a chance to  
do something for himself when  
he formed his own band and opened  
the Coconut Grove in Los An-  
geles. But he didn't make much  
money, and he entered into a sort  
of Jekyll and Hyde existence by  
teaching rumba dancing secretly  
on the side. It was while this  
early groundwork for Lala  
rhythms was being cemented that  
Rene Black, who happened to be  
in L.A., saw Cugat and wired  
Lucius Bloomer that he thought  
the Waldorf could do itself a fa-  
vor by gaining title to Cugat's  
services. That was in '33, Cugat  
came east, and he hasn't been  
hungry since that date. Today his  
records have sold into the mil-  
lions. He has just finished two  
pictures for Columbia, one with  
Fred Astaire. He has two radio  
commercial, and two million  
friends. His imitable carica-  
tures cover the countryside as the  
yellow leaves cover the coun-  
try side in autumn. He will car-  
icature anybody, or anything. What  
is important, these caricatures are  
magnificent. More than one de-  
lightfully astonished guest has  
carried home caricatures of him-  
self and friends that were  
sketched on the backs of menus  
or on napkins.

CUGAT had hard sledding. If  
you sketch briefly through his  
career you will find mention  
of transcontinental and South  
American "tours." Most artists  
refer to "tours" in their past.  
Cugat did indeed cover vast  
wide spaces, both in S.A. and on  
the continent, but he did so with  
his heart in his throat and his  
belt hitched to the last notch.  
Your heart and your belt act that  
way when you get hungry. You  
can get mighty bored, skipping  
meals.

He missed a few meals in Spain,

#### YEARS AGO IN WARREN

Interesting Items Taken From  
the Warren Evening Times

##### In 1922

Company 1 will assemble this  
evening at 6:30 under the com-  
mand of Capt. Charles G. Pearson  
for night and day maneuver trip  
at the range at the Abnaship  
farm in preparation for the an-  
nual encampment at Mt. Gretna,  
which starts July 21st.

Complanter Post, American Leg-  
ion, is staging a drive for new  
members which will close August  
5th. The enrollment at present is  
182 and this number is expected to  
be doubled.

Today finishes the 20th year  
since the Hoff Business College  
opened its doors to the public in  
the Schindler block. In 1902 it  
purchased the equipment of the  
old Warren Business University,  
located in the Rogers block.

The Crew-Levicks transformed  
the City League walk-away into a  
real race last evening by defeating  
the Taxis, 3-1, in a hard fought  
battle on Russell Field. Osaba  
picked for the winners and Reed  
for the losers.

Dr. R. J. White, former presi-  
dent of the Sugar Grove Sem-  
inary and present pastor of the  
White Memorial church in Buffalo,  
will preach in the United Breth-  
ren church here on Sunday even-  
ing, July 16th.

##### In 1932

John Hopkins, keeper at the  
Kalbfuss game Preserve at Buch-  
ers' Mills, reports an increasing  
number of visitors to the preserve  
and its picnic grounds, registering  
eighty guests on Tuesday.

David E. Trone has been ap-  
pointed postmaster at Clarendon  
to succeed himself by the presi-  
dent. The salary was \$1,900 a year  
until the enactment of the econ-  
omy bill cutting one-twelfth from  
that amount.

Everything is being placed in  
readiness for the opening next  
Monday of the Boy Scout camp.  
A group of men went to Camp  
Olmsted Monday and Tuesday to  
make final arrangements.

The first of a series of open air  
concerts being planned by the  
Veterans of Foreign Wars Band  
will be played under the direction  
of Prof. H. H. Brunner from the  
Hickory street veranda of the Elk  
Club next Wednesday evening at  
eight o'clock.

Tomorrow, July 15th, "Uncle"  
George Metzger, a former well-  
known resident of Warren, will  
celebrate his 88th birthday. For  
the past several years "Uncle"  
George has made his home with  
his daughter, Mrs. C. B. Johnson,  
Tulsa, Okla.

#### WAR QUIZ

1. This flag, which has a white cross on a red background, belongs to a small European nation, one of the few remaining neutral countries in the world. What country?
2. Who is Maj. Gen. Russell F. Hartle?
3. What types of Navy aircraft are marked V Z Z X?

family and Mrs. Bertha Walters at-  
tended the Wiederhold reunion at  
Celoron Sunday.

Several from here are motoring  
to New York State for cherries.  
The Andy Randal family spent  
July 4th in that manner.

Mrs. Irene Walters entertained  
Mrs. Florence Gordon, of War-

ren, to a dinner Sunday evening in  
honor of the birthday of her son  
Floyd.

The Clinton Johnson family and  
the Carl Johnson family enjoyed a  
basket picnic Sunday up the river  
and in the evening called on their  
former neighbors, Mr. and Mrs.  
William McCauley, at their camp  
across the river.

# Eagles Edge Hospital, 2-1, to Claim Sunset Loop Lead

## Many Cousins Share Estate Of \$13,000

New York, July 14 — Sixteen cousins, including Maurice E. and George R. Weaver of 555 West Orange street, Lancaster, Pa., Anna Weaver of 320 North Colorado avenue, Colorado Springs, Col., and Edith Kelly of 51 Chambers street here, are entitled to share the yet to be distributed \$13,093.1 estate left by Fay E. Weaver of Warren, Pa., who, without leaving a will, died on January 12, 1940, according to a ruling today by Surrogate James A. Delehanty.

Miss Weaver, who was laid to rest at Warren, Pa., was a daughter of the late J. K. Weaver, who died on June 19, 1918; and Fanny K. Weaver; and a sister of John Osborne Weaver, the latter having died on March 26, 1919, all of Warren, Pa.

Because Miss Weaver left no will and her heirs at law were unknown at the time of her death, her property was taken over by the Police Department and later turned over to the Public Administrator.

The administrator, through its legal department headed by Joseph Cox, then began a world-wide search for any possible heirs. Four were found and the four filed suit to the property.

To place the responsibility for the distribution upon the shoulders of the court, Mr. Cox filed an accounting and asked the Surrogate to pass upon the validity of the claimants.

Charts, several feet long, which amazed the Surrogate, were offered in evidence and, as a result of a long and tireless investigation, the Surrogate ruled that only the four but twelve other cousins—16 in all—were entitled to share in the property.

The 12 other cousins reside in Europe.

In his accounting, Mr. Cox, as counsel for the administrator, charged himself with \$16,182.68 as having come into his hands.

Against this sum he credited himself with payments for funeral and administration expenses, \$1,223.7; and paid to creditors, \$1,611, leaving the balance of \$13,093.1 for further distribution, subject, however, first to the deductions of the administrator's commission and the expenses of the accounting.

Just exactly what each of the cousins—two of whom have since died and their representatives will take their share—will receive will be disclosed when the Surrogate signs the decree directing the distribution of the \$13,093.1.

Under the will of J. K. Weaver, the deceased, probated in Warren, Pa., the son, John Osborne Weaver, was left the crockery business of J. K. Weaver and son, plus half of the residue.

Fay E. Weaver, the daughter, left the remaining half of the residue, plus the stock and contents of the music store on Pennsylvania avenue west and Bonnell, Warren, Pa.

Fay E. Weaver, upon the death of her brother, John Osborne Weaver, inherited his estate which, however, went through the Warren courts.

## Observes 98th Birthday

"Uncle" George Metzgar, former well known resident, who observes his 98th birthday tomorrow at the home of his son-in-law and daughter, Mr. and Mrs. C. B. Johnson, 16 West 15th street, Tulsa, Okla., where he has resided for many years. Although "Uncle" Geo. has been in ill health for some time, he was greatly improved at last reports and will be pleased to hear from his many friends in this section. He is the oldest living retired employee of the Renovo division of the Pennsylvania Railroad. Although blind, he has always maintained a keen interest in current affairs and has always been a most ardent baseball fan. The Times-Mirror joins his many friends in extending greetings on the occasion of his birthday.

## Youngsville Group Holds Fine Outing

Youngsville, July 13—The Blue Circle met Thursday at Island Park for a one o'clock picnic dinner, which was greatly enjoyed by all members and children present. The August meeting will also be a picnic at the same place, the first Thursday in August.

**TO ALLEGHENY SPRINGS**  
The Youngsville Women's Christian Temperance Union will meet Friday afternoon, July 17, at the summer home of Mr. and Mrs. Lee Rogers at Allegheny Springs. Following the meeting, at which an election of officers will be held, a tureen picnic will be held. Guests are asked to bring a tureen, rolls or sandwiches and all table service.

**MOVING TIME**  
Mr. and Mrs. Lee Sittler are moving into the house now occupied by Kenneth Haight and family, who are soon to move to Swede Hill on their newly acquired farm which they recently purchased of Mr. Clark.

Mr. and Mrs. Bert Richards are moving from the Smith home on East Main street into the Slater house, also on East Main street.

**BROKENSTRAW GRANGE**  
Brokenstraw Grange will meet at 8 p. m. Tuesday, July 14. After the meeting refreshments will be served honoring those with birthdays in April, May and June. A good time is promised at this social hour.

**FROM NEW YORK**  
Mrs. Lizzie Ransom is a guest of Mrs. Nora Russell, coming here from New York City. She was a former Youngsville resident.

**EVERY MEMBER CANVASS**  
Plans for the taking of pledges in the financial plan of the local Methodist church for the year, which will begin after the September annual conference, were completed Thursday evening at a meeting of the church finance committee and church stewards. The plan is to complete this canvass before the Youngsville 4th quarterly meeting to be held July 29th.

**PLAN CAMPING TRIP**  
The girls of Mrs. Tressa Jones' and Miss Mary Louise Sellin's Sunday school classes met on the Sellin lawn for a picnic supper Saturday. Games were enjoyed. Arrangements were made for a camping trip. The group are planning to leave Friday, July 17, and spend the weekend at the Schell Cottage at Vukote, on Chautauqua Lake.

**PLAN CAMPING TRIP**  
The girls of Mrs. Tressa Jones' and Miss Mary Louise Sellin's Sunday school classes met on the Sellin lawn for a picnic supper Saturday. Games were enjoyed. Arrangements were made for a camping trip. The group are planning to leave Friday, July 17, and spend the weekend at the Schell Cottage at Vukote, on Chautauqua Lake.

The Eagles and State Hospital last night uncorked the most exciting Sunset League game that's been produced this season as the Flock won its second decision in as many starts in second half play, a wild pitch accounting for the deciding run with two out in the top half of the ninth inning.

For eight innings the two clubs fought on near even terms, with both "Sparky" Pollock, Eagles mound ace, and Bob Schussler, Hospital delivery boy, pitching themselves out of dangerous holes time and again.

The Flock scored in the first inning on two hits and an error, while Schussler hurled shutout ball while scattering five singles during the next seven innings, and his mates knotted the score in the fourth inning when Warmie Check doubled into left centerfield, moved to third when Myron Jewell grounded out, and scored on a single into centerfield by Chuck Clawson with two men retired.

In the eighth canto, the Hospital loaded the bases after two were out, getting two singles into left field by "Rabbit" Swanson and Check, and a free ticket issued to Jewell. But Jim Akeley topped one of Pollock's offerings, hitting back to the box and going out at first base with no damage done.

In the ninth the fair-sized crowd readily responded with each succeeding pitch as the game's tempo was stepped up considerably. Clyde Farnsworth punched a double along the right field foul line, which, it was ruled, bounded fair by little over a foot, and then made third as Olsen grounded out after Martin went down swinging.

It was at this point that Schussler, who was going the distance for the first time this season, worked the count to two strikes and a ball on Albaugh, and then whipped one across like unchained lightning, over Catcher Charles Clawson's head, and back to the screen. Farnsworth raced in from third with the run that clinched another close verdict in favor of the Eagles.

On the next pitch Albaugh fled out, but his action was then immaterial. The highly-spirited Flock took the field with high hopes of ending the contest in quick fashion, but one more thrill was in store. Clawson gained first base on an error by Third Baseman Bob Baker, took second on Milt Dahler's neat sacrifice along the third base line, and made third as DeRosia, batting for Irvine, went out at first. But Schussler popped up an easy fly for Albaugh at second base, and Clawson died on third with the tying run.

Nevertheless, it was a whale of a ball game and due credit should be given Pitchers Pollock and Schussler. Hitters Bobby Sedon, who had three safe knocks in four attempts, and Check, who hit twice in the same number of tries.

Tonight it will be Stoneham and the Forge on Russell Field. Game time 6:15 o'clock.

HOLD EVERYTHING

"Would you care to come over and instruct my men in infiltration tactics?"

Youngsville Church Will Enjoy Picnic

Youngsville, July 14.—The Aaron Lutheran congregation and Sunday school picnic is to be held on Island Park Wednesday, July 15. An interesting program of games and sports will start about 4 p. m. Supper will be served at 6 p. m. Each family is asked to bring dishes, silver and a turkey. Rolls, coffee, sugar and ice cream will be furnished by the Sunday school.

COOPERATIVE DINNER

Mr. and Mrs. R. L. Mead entertained the Cooperative Dinner Club at a delicious fish supper Thursday evening at Island Park. The fish were some caught by Mr. Mead on a fishing trip in Canada.

LOCALS

Warren Haupt from State College, Mr. and Mrs. Donald Willett, Howard Ellenberger and Donald Haupt of Meadville, were weekend guests of Mrs. O. B. Haupt. Other recent guests of Mrs. Haupt in were sister and husband, Mr. and Mrs. Fred Donaldson, of Barnes, and their son, Ralph, now in U. S. service at Fort Worth, N. C.

John Peterson was a guest of his parents over the weekend, coming home from Indian town Gap where he is now located in camp.

Roy McDowell and Robert Mead spent last week on a fishing trip in northern Canada.

BOYS IN THE SERVICE

Aviation Cadet John Bleach, son of Mr. and Mrs. Fred Bleach, 21 Locust street, has completed the second phase of his flight training at the Army Air Forces Basic Flying School, Gunter Field, Ala., according to word received from that place today. Prior to his arrival at Gunter Field, he had received his primary training at Dorr Field, Fla., where he obtained 60 hours in the air in primary training planes. He was appointed an aviation cadet, February 27, 1942.

Pfc. Cecil R. Sipple, son of Mr. and Mrs. Henry C. Sipple, of Russell, recently was promoted to the grade of corporal at the nation's greatest Army Air Forces Technical School at Keesler Field, Miss.

Pvt. Ashley M. Brant, who is stationed with the medical corps at Camp Langdon, Portsmouth, N. H., is spending a furlough with his mother, Mrs. Mary Brant, of Kinzua.

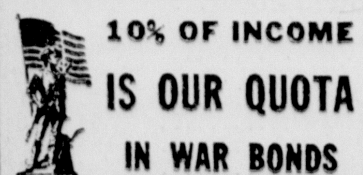

Pfc. Edgar Small has returned to Fort Jackson, S. C., after spending a short time with his grandparents, Mr. and Mrs. H. R. Weaver, 14 Alston street.

Philip Cerra has received word that his son, Corp. Orlando Cerra, has been accepted as a cadet in Officers' Training School at Camp Lee, Va.

SHEFFIELD NEWS

Sheffield, July 10.—Ernest Newberg of Jamestown is visiting relatives and friends here this week. The Luther League of Bethany Lutheran church will meet tonight.

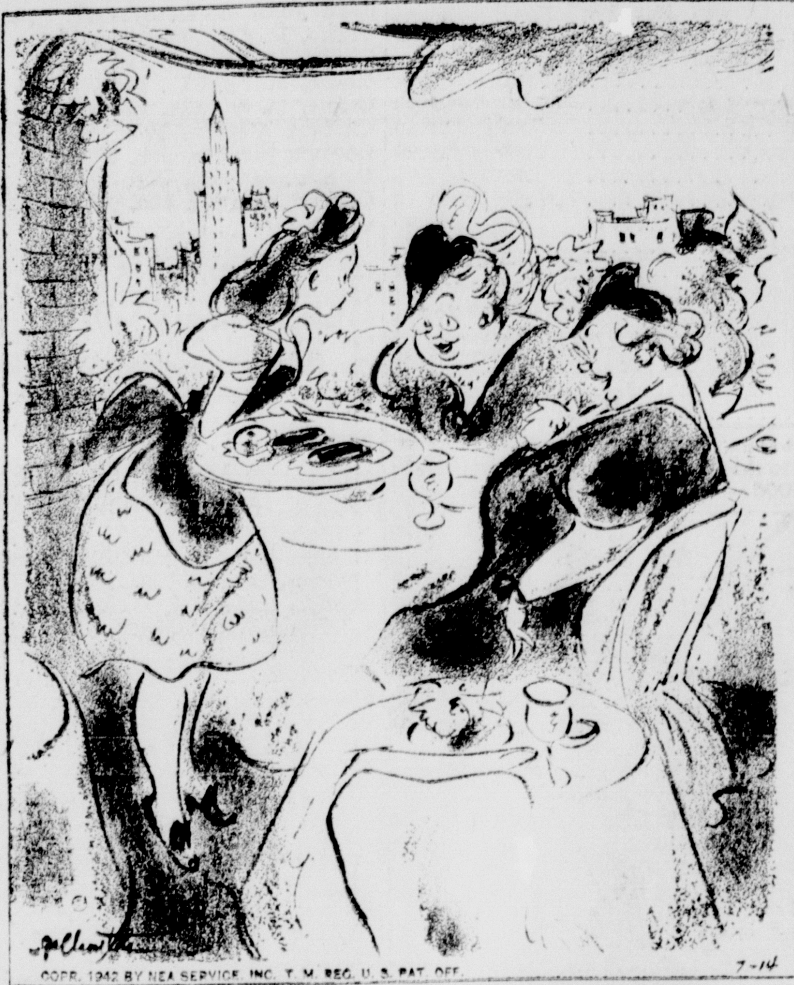

Robert McCormick of Dunkirk, N. Y., who is visiting his aunt Mrs. Elaine DuBois of Warren called on friends here Thursday.

**ADMINISTRATION NOTICE**

SIDE GLANCES . . . . . By Galbraith

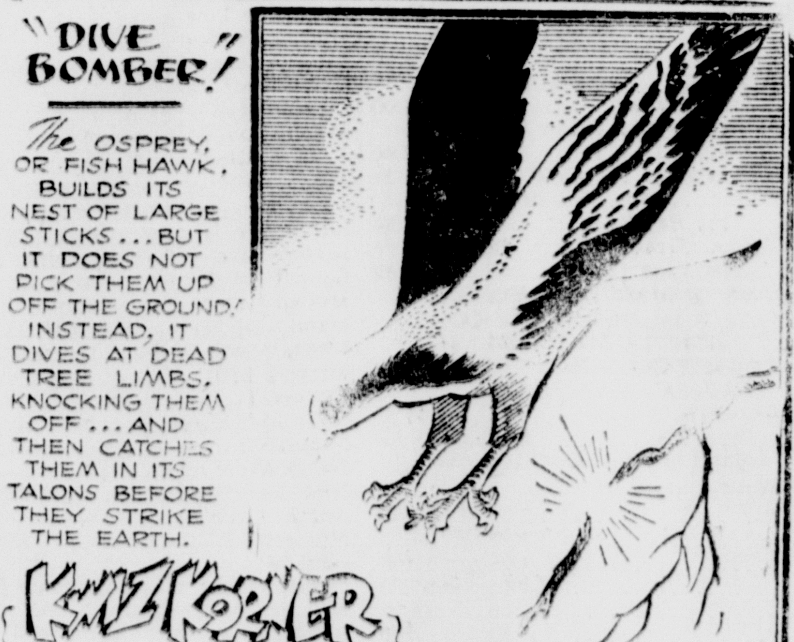

"As long as we're helping the war effort by not taking sugar in our coffee, dear, let's both have another éclair!"

FUNNY BUSINESS

"He thinks the mosquitoes won't bother him that way!"

THIS CURIOUS WORLD

THE OSPREY, OR FISH HAWK, BUILDS ITS NEST OF LARGE STICKS . . . BUT IT DOES NOT PICK THEM UP OFF THE GROUND. INSTEAD, IT DIVES AT DEAD TREE LIMBS, KNOCKING THEM OFF . . . AND THEN CATCHES THEM IN ITS TALONS BEFORE THEY STRIKE THE EARTH.

ANSWER: Goodbye Mamma, I'm Off to Yokohama; Flamingo; One Dozen Roses.

NEXT: Heavy, heavy hangs over your head!

A DIME YOU'LL NEVER MISS MAY SAVE A SOLDIER'S LIFE!

It's a fact that a single 10-cent piece can be the means of saving a soldier's life—because the five cartridges it buys can make the difference between victory and defeat for one of our boys. Think then what more money will do, if put regularly into U. S. War Savings Stamps! Order them delivered to your home, week after week, by your newspaper carrier boy. This coupon, filled in, will be all the authorization he needs. Hand it to him next time he stops!

I would like to have . . . . . 10-cent War Savings Stamps delivered to my home each week until further notice.

The Fight for Russia's Rivers and Railroads

Important sidshow in the battle for Russia's Caucasus oil is the German campaign against her railroads and rivers to the north. Map shows how Nazis, now controlling the Dnieper River and many key railroads, threaten the Don and Volga areas and the rail lines over which flow aid from Russia's allies.

700 CROATS KILLED AFTER ASSASSINATION

London, July 14.—(P.)—A Yugoslav government spokesman declared today 700 Croats had been killed in reprisals by the German gendarmes following assassinations of the gendarme chief of Zagreb.

The spokesman said the gendarme chief was a Major Helm and that he was killed by a hand grenade thrown into his car as he rode along the main street of Zagreb.

He declined to give the source of his information and said he could not state exactly when the killings occurred.

"The gendarmes ran amuck after the bombing," the Yugoslav spokesman said, "shooting at everyone moving on the streets and hurling hand grenades through nearby windows."

"During the day the Germans rounded up almost all persons in the immediate neighborhood and shot them."

BOSTON ATTORNEY IS NEW HEAD OF ELKS

Omaha, July 14.—(P.)—E. Mark Sullivan, Boston attorney, today was elected grand exalted ruler of the Benevolent and Protective Order of Elks at the 78th annual national convention here. He succeeds Judge John S. McClelland of Atlanta, Ga.

Sullivan, a member of the Elks since 1908, in an address, pledged the efforts of the 500,000 members of the order to an all-out program of assistance in the mobilization of arms and industrial resources for the war effort.

Fred R. Dickson of Kearney, Neb., was elected grand esteemed loyal knight.

Edgar Masters, Cherlerol, Pa., was re-elected grand secretary and George M. McLean, El Reno, Okla., was re-elected grand treasurer.

FAST TRAIN WRECKED

Memphis, Tenn., July 14.—(P.)—The observation car and a sleeper on the Illinois Central's fast passenger train, Panama Limited, were derailed near here early today.

The southbound train, which left Chicago yesterday at 3:15 p. m., for New Orleans, was four hours late reaching Memphis after the accident at Kerville, 25 miles north of here.

Russians Believed Planning Stand On East Bank of Don

(From Page One)

Soviet information bureau declared.

"It is impossible," the statement said, "to conceal the fact that the Germans lately lost on the Soviet-German front thousands upon thousands of men. This, despite the temporary successes of the German troops, gradually saps the Hitlerite war machine and prepares the ground for the defeat of Germany in this war."

Berlin (From German Broadcasts), July 14.—(P.)—The German wedge into the Don river front has been broadened to the south and Axis mobile columns, breaching strong defense positions, have penetrated deeply into the Red army lines, the German high command said today.

It reported that at the opposite flank of the Russian battlefield, in the Volkovo region southeast of Leningrad, Lieutenant General Vlassov, commander in chief of the second Soviet shock army, had been captured.

In the southern sector of the eastern front, the war bulletin said, "The German offensive front has been broadened towards the south."

"Tenaciously defended enemy positions were breached."

In pursuing the enemy, mobile columns penetrated deeply into the movements of the Russians and shattered retreating columns of all arms."

The high command said Russian forces were encircled by a swiftly-executed German tank movement northwest of Voronezh.
